

BARBABIANCO WHITE VERMOUTH

Stunning vermouth made with white Pansa blanca

Alella Vinícola is the cellar whose wines have brought renown to the town of **Alella since 1906**. We currently produce, make and bottle wines and cavas in two designations of origin, named **D.O. ALELLA** and **D.O. CAVA**.

Like the cellar itself, most of the vineyards we use are located in the centre of the town of Alella, the heart of the designation origin, 15 kilometres to the north of the city of Barcelona. We market wines, rich wines, sweet wines and cavas under different brandnames, such as **MARFIL, IVORI, VALLMORA** and **VIOLETA**. Our wines are characterised by the **Mediterranean climate**, the **area's singular geological nature** and the striking traits of the **varieties typical** of our designated origin.

Our goal: to produce the finest vermouth made from the finest wine. We used the Pansa blanca we grow in Alella for our great white wines. We hand selected the best herbs and spices of the Mediterranean, avoiding sweeter spices over the more bitter ones. We macerated the spices directly into the wine once fermentation is completed. Finally we sweeten the vermouth with must (grape juice) until we reach optimal levels. It is not like your classic spanish vermouth, red wine takes the protagonism and sweetness take a back seat.

Color: Color dorado. **Nariz** con aromas de bosque mediterráneo, mentolados y notas cítricas. En boca se aprecia un buen equilibrio de hierbas mediterráneas y cítricos. Final amargo proporcionado por las clásicas hierbas de los vermutos.

Winemaker: Xavier Garcia

Vineyard: Viña Rials

Climate: Maritime Mediterranean

Soil: Granites ("sauló")

Grapes: 100% Pansa blanca

Vine aged: 35 years

Height and exposition: 100 m, EST

Purning: Royat doble

Farming: organic without herbicide, insecticide and inorganic fertilizers

Yield: 32 Hl/Ha

Aged: young wine aged over lees

Alcohol : 15,0 % vol.

Residual sugar: 85 g/l

Annual Production: 5.000 bottles

Ageing potential: drink now or mature for up 6 years
