

COSTA DEL MARESME ROSÉE 2020

Attractive rosé color, fruity, pleasant nose and fresh mouth !

Alella Vinícola is the cellar whose wines have brought renown to the town of **Alella since 1906**. We currently produce, make and bottle wines and cavas in two designated origins, namely **D.O. ALELLA** and **D.O. CAVA**.

Like the cellar itself, most of the vineyards we use are located in the centre of the town of Alella, the heart of the designated origin, 15 kilometres to the north of the city of Barcelona. We market wines, rich wines, sweet wines and cavas under different brandnames, such as **MARFIL, IVORI, VALLMORA** and **VIOLETA**. Our wines are characterised by the **Mediterranean climate**, the **area's singular geological nature** and the striking traits of the **varieties typical** of our designated origin.

The wine was aged in stainless steel tanks on its own fine lees from November to February in order to give the wine more lubrication and volume, and to prepare it to improve its evolution throughout time. This is a rosé wine with an attractive colour and a nose of red fruits and spices. On the palate, it is fresher and strong, well balanced and long.
