

IVORI AGED RED WINE 2008 MAGNUM

Have you tasted a Red Grenache & Syrah bottle-aged for more than 10 years?

Alella Vinícola is the cellar whose wines have brought renown to the town of **Alella since 1906**. We currently produce, make and bottle wines and cavas in two designated origins, namely **D.O. ALELLA** and **D.O. CAVA**.

Like the cellar itself, most of the vineyards we use are located in the centre of the town of Alella, the heart of the designated origin, 15 kilometres to the north of the city of Barcelona. We market wines, rich wines, sweet wines and cavas under different brandnames, such as **MARFIL, IVORI, VALLMORA** and **VIOLETA**. Our wines are characterised by the **Mediterranean climate**, the **area's singular geological nature** and the striking traits of the **varieties typical** of our designated origin.

Depending on the final ripeness of the different vineyards and varieties, each harvest's final blend is formed. Varietal base was shared by Red Grenache and complemented with Syrah. All these varieties were produced separately until they were aged in casks in which the final blend was made. Ageing lasted 12 months in 500 litre French oak casks.
